ABOUT US

The HAPPY HOME GROUP has been in the construction business for over 30 years. The group has always believed that its success comes from its customers.

Wherever there are people there is an opportunity to serve. 30 years of dedicated work along with expertise has earned the group considerable goodwill and trust of those involved in the construction business. Our residential and commercial buildings offer both lavish amenities as well as luxuries that match up to international standards but at very Indian prices. More importantly, we meet our deadlines. This has helped the HAPPY HOME GROUP grow and flourish in the highly competitive construction industry. We at the HAPPY HOME GROUP cater to people's needs, provide value for money for quality construction and ensure timely delivery. Our aim is to improve quality of life through provision of modern infrastructure and facilities.

The capabilities of HAPPY HOME GROUP include identification and selection of properties, feasibility studies, available infrastructure and future development, selection of architects and consultants, legal vetting and preparation of schemes for commercial and residential complexes, construction, project management, marketing, sales and customer service. The company takes particular care that its project features are perfect as per Vastu and that there is a clear title so as to give buyers a hassle-free and happy ownership.
